The award-winning Sensi smart thermostat keeps homeowners connected to comfort and keeps you connected to your customers.

Sensi Partners get access to program benefits including homeowner leads, contractor branding, custom literature and free online training. Learn more at emerson.com/sensipartner

HVAC MONITORING

Sensi smart thermostats deliver information homeowner's need to maintain their HVAC equipment:

- SMART ALERTS**
Notifies customers when their system may need service, and your contact info is a click away.
- SERVICE REMINDERS**
Tells customers to contact you for routine maintenance or service.
- USAGE REPORTS**
Provides valuable system information to your customers with your company name prominently displayed every month.

- EASY TO INSTALL & CONNECT**
No common wire (c-wire) required for most installations¹
Step-by-step guide in the Sensi app.
- SENSI PARTNER PROGRAM**
Put your name and contact info in front of customers right when they need it. You'll reach customers through digital branding, smart alerts, service reminders, monthly usage reports, in-app branding and the Find A Pro tool.
- CONTRACTOR MODE**
With Contractor Mode, you can easily connect to every customer by registering thermostats individually or in batches.
- HUMIDITY CONTROL**
Help homeowners stay comfortable with humidification/dehumidification control.
- KEYPAD LOCKOUT**
Maintain total control by disabling changes made by others at the thermostat
- TEMPERATURE LIMITS**
Prevent others from adjusting temperatures too high or too low.
- SMART HOME COMPATIBLE**
Works with Amazon Alexa, Google Assistant, Apple HomeKit (c-wire required), and Samsung SmartThings smart home platforms.
