

789A-914A1

## DIRECT OEM REPLACEMENT 80V AND 120V NITRIDE IGNITORS

Direct OEM replacement for 80V and 120V premium silicon nitride ignitor and upgrade kits.

**FEATURES**

- OEM replacement Nitride Ignitors for Amana, Carrier, Goodman, Lennox, Nordyne, Rheem, Trane, Thermo Products Equipment and York
- 80V and 120V models
- OEM spec lead length, dimensions and connectors for fast replacement
- White high temperature Teflon™ coated leads
- Insulation 250°C Temperature rating
- Premium Nitride Construction
- 3 Year Warranty

**SPECIFICATIONS**

Operating Voltage..... 80 and 120 VAC Models, 60 Hz  
 CSA/CUS Certificate Number..... 1105159 (768A)  
 .....70098928 (789A)
