

Kazoo

Materials:

- (2) Large Popsicle Sticks
- (1) Large Rubber Band
- (2) Small Rubber bands
- (1) 2x2 Index Card
- Scissors
- Markers

Instructions:

1. Wrap the large rubber band lengthwise around the popsicle stick
2. Cut the index card into a 2in. By 2in. Square then fold 3 times (Cut in Half)
3. Take the index cards once folded and add rolled tape to one side and connect to the second popsicle stick at each end
4. Put the two popsicle sticks together and then wrap the smaller rubber bands around the two popsicle sticks to hold them in place one located on each end above the index cards.
5. Blow air through the middle and listen for the sound.

The Science:

As air is blown into the popsicle sticks the rubber bands vibrate causing a sound to be produced!
