

Mini Banjo

Materials:

- (2) Rubber Bands - Small
- (2) Rubber Bands - Large
- Tissue Box
- (2) Pencils
- Markers

Instructions:

1. Decorate box
2. Place four rubber bands over the tissue box
3. Add Pencils underneath the Rubber Bands
4. Adjust distances to get different sounds
5. Adjust angle of pencils to get different sounds
6. May need to push box in to get more reverberation

The Science:

As the strings are plucked, a vibration occurs, that vibration creates sound! To get different sounds try limiting the size of the band with your finger.
